

Individual License Terms

GCRadix GmbH – Audio Content and Plugin Licensing

Effective: 09.05.2024

These Individual License Terms ("Terms") apply when you purchase or use any audio libraries, VST plugins, or related digital content ("CONTENT") from GCRadix GmbH ("GCRADIX") for personal or single-user professional use.

By purchasing, downloading, or using the CONTENT, you agree to be bound by these Terms. If you do not agree, do not use the CONTENT.

1. License Grant

When you purchase a product under the Individual License, you receive a **non-exclusive, non-transferable, single-user** license to use the CONTENT.

This license is intended for:

- Individuals, freelancers, or students.
 - Use in both commercial and non-commercial projects.
 - Use by one person at a time only.
-

2. Permitted Uses

You may:

- Use the CONTENT in original works such as games, videos, podcasts, films, and music.
 - Modify, edit, and process the CONTENT.
 - Distribute works that include the CONTENT as part of a larger creative production.
 - Use the CONTENT across multiple projects, as long as you are the sole user.
-

3. Restrictions

You may not:

- Share the CONTENT with others or allow multiple users to access it.
 - Resell, repackage, or redistribute the CONTENT in its original or lightly modified form.
 - Use the CONTENT to build sound libraries, toolkits, or similar products.
 - Use the CONTENT in AI, machine learning, or data training projects.
 - Sub-license or include the CONTENT in products designed to deliver sounds to end users (e.g. samplers, virtual instruments).
-

4. Ownership

All intellectual property rights in the CONTENT remain with GCRADIX.
You are granted only usage rights — not ownership or resale rights.

5. Termination

If you breach these Terms, your license may be terminated.
You must then stop using the CONTENT and delete any non-final copies, except where already embedded in completed productions.

6. No Warranty

The CONTENT is provided “as is” with no warranties or guarantees.
GCRADIX makes no claims about compatibility with specific software or systems.

7. Limitation of Liability

GCRADIX is not liable for any indirect or consequential damages.
Total liability is limited to the amount paid for the CONTENT.

8. Enterprise Use

If you're working as part of a larger team, organization, or on behalf of a client with multiple collaborators, you may need an **Enterprise License**.
